They say laughter is the best medicine, but I know better...

BEST MEDICINE

"Damn, it hurts!"

I lay on the pitch, writhing and grimacing, holding my left knee with both hands. My teammates had huddled around me, some standing, others kneeling, as the referee stopped the game and motioned to the sideline, summoning the trainer.

It wasn't long before I was placed on a stretcher and rolled off the field. Done for the day, I reasoned. The team would be without my services for the remainder of the contest. I couldn't continue, not in my present condition.

The trainer wheeled me to the locker room. "The team physician has been notified," he told me. "The doctor will be with you shortly."

He returned to the field, leaving me alone amidst the lockers and benches. The game had already resumed. I could hear the shrill bleating of the referee's whistle, the cheers and jeers of the passionate crowd.

I hated to miss the action, espe-

cially this particular game as it was the conference semifinal. Today's winner would play for the conference championship, as well as a berth in the national tournament.

Of course my disappointment was tempered. After all, soccer wasn't everything; there was more to life, a whole hell of a lot more.

Confident that the trainer would not be returning, I rolled off the stretcher and sat on a bench to unlace my cleats. No sense in wearing my uniform any longer than necessary. I removed my socks, shin guards, jersey, shorts, stripping all the way down to my birthday suit.

Then I padded across the concrete floor to the showers, walking without the slightest hitch in my stride. There was nothing wrong with my knee, no dislocated patella, no torn meniscus, and certainly no blown out anterior cruciate ligament.

My malady was of an altogether different nature...

I stood beneath the spigot, letting the hot water pelt my face, luxuriating in the steam while soaping myself head to toe. I wanted to be nice and clean for the doctor.

She arrived sooner than expected, interrupting me in the middle of my shower, giving me quite a scare as she yanked back the curtain.

"Well," she said, appraising me with hungry eyes, "you actually did it."

"Shit! You scared me to death!"

"Who did you think it was? Norman Bates?"

"The thought crossed my mind."

"You watch too many scary movies."

I tried and failed to come up with a rejoinder. The doctor proceeded to remove her white coat, unfastening each button with teasing slowness. I stood there with mounting excitement, eager to gaze upon her hot body. Finally she opened her coat, flashing me like a street corner pervert. The doctor wore nothing underneath.

My cock responded accordingly.

"Oh, my," she said, "looks like somebody is happy to see me."

"Always," I muttered.

Water sluicing down my body, I slid my hand up and down my turgid rod, priming myself for the forthcoming fun. Our team doctor was a scorching hot blonde MILF with big tits, long shapely legs, and a shaved pussy.

We had started screwing around shortly after my arrival on campus back in August. I was a transfer student, having played my first two years at a community college where I had led the team to a national title. But this was different. This was the big time, Division I. Expectations were high. I was on a full scholarship, recruited to turn around a struggling program. Everybody from the coaches to the players to the student body expected me to deliver.

And I had.

Hell, here we were playing in the conference semi-final! I owed it all to the team doctor who had developed an effective treatment plan for my anxiety. Had it not been for her I would've been unable to handle the immense pressure. Our weekly trysts kept me performing at a high level.

They say laughter is the best medicine, but I know better.

Pussy is the best medicine . . .

Still tugging my prick, I smiled as the doctor kicked off her flats and let

her coat fall to the floor. She joined me in the shower, pressing her lips to mine. We kissed for some time, probing each other's mouths with our

tongues, before she knelt.

I continued to stroke myself as she serviced my balls, suckling each one with the utmost care. Her hair was soaked, plastered to the sides of her head, framing her attractive face. She licked my nuts hungrily. My hand slid up and down, faster and faster as the water rained down on our bodies.

This continued unabated until she looked up, pinning me with her beautiful blue eyes, and grinned, flashing a mouthful of even, white teeth. Knowing exactly what she wanted, I released my cock. She took over for my hand, devouring me with much haste. Her lips encircled my rod, clenching it with snug heat as her velvety soft tongue basted its underside. She pumped her head back and forth, gobbling me greedily, sucking

face with rhythmic jabs. She moaned around my stiff member, moaned and groaned and gagged as my mushroom cap tapped the back of her throat.

The shower was nice, but we decided to move things to another spot in the locker room, somewhere more conducive to the next phase of today's therapy session. Because that's exactly what it was.

The doctor was teaching me to let go, to relinquish control of the squad, to let my teammates take over in my absence. "You don't have to do it all," she had told me on countless occasions. "Stop trying to be a superhero." The fate of the team did not rest solely on my shoulders. I was merely one part of the machine, a single component in a multi-cog mechanism. They would be fine without me. They could win without me.

Today's treatment had been the ultimate test of my progress. By faking an injury and exiting the game early, I had passed the reins to my teammates. It had been hard, I'll admit. Damned hard. But the doctor had convinced me to carry through with the plan.

Now I was glad that I had. I turned off the water and followed her out of the shower stall, peering at her spectacular ass as I did so. The doctor led me to the massage table. She turned around to face me, placed her palms atop the table,

and hoisted herself up. Sitting on the edge of the table, feet dangling, she leaned back on her elbows and spread her legs, treating me to a stellar view

my cock like a seasoned professional.

I placed my hands atop her wet head and thrust my hips, meeting her stroke for stroke, fucking her

of her shaved pussy.

She ran a hand across her mammoth tits, caressing and kneading, then slid it down her taut tummy all the way to the pink crevice between her legs. I squatted beside the table, pressing my face into her crotch. I ran my tongue up and down her slit as she rubbed her clit, moving her fingers back and forth with frenetic speed. Her pussy tasted wonderful. She whimpered when I darted my tongue across her clit, supplementing the pleasure she was achieving with her fingers.

While feasting on her pussy, I had been stroking my cock, tugging myself at a sane and sensible clip. My erection had reached its maximum length, girth, and hardness. I couldn't wait to plunge it into her tight cunt.

She was dying for it, too. "Oh, I'm ready, baby. Stick that big hard cock in my pussy. I want it now. Fuck this dirty doctor in her little cum hole."

Doctor's orders, I mused, intent on following my treatment plan to the letter. I had made tons of progress since August. It would be a shame to relapse now. Unconcerned with the action taking place on the field, I stood to my full height and moved between her legs. I worked

my cock into her trench, skewering her inch by inch, deeper and deeper, until I was all the way in. She gasped. I grunted. It wasn't long before I was fucking her in earnest, thrusting my hips with much force, hammering her pussy good and proper.

The massage table shook in tandem with her big bouncy tits, its legs sliding an inch or so with each stroke; at the rate we were going the thing would be halfway across the locker room by the time I blew my load! Thunderous cheers sounded from outside. Somebody had scored. Was it us? Had we clinched a spot in the conference final? Or had the other team punched one in? I had no idea. And, for the moment, didn't much care, especially when the doctor begged me to finish in her asshole!

"Are you sure?"

"Doctor's orders! Now shut up and ream my shitter!"

"Yes, ma'am!"

I pulled out of her pussy, dropped

doctor grabbed her ankles and pulled her legs back, folding herself like a fortune cookie. I pounded her pooper with everything I had, pummeling her with piston-like thrusts, harder, faster.

"Oh, God, yes! Cum inside me, baby! Cream my—"

My cock erupted, spewing rope after rope, glazing her donut hole with much jizz. Pulse after pulse wracked my body, waves of rippling pleasure emanating from my hot center. The doctor had come a few seconds prior to my explosion. Now the two of us, team physician and star player, were totally spent. We lapsed into silence.

There was nothing to say.

I was dressed and back on the stretcher when the jubilant team flooded the locker room. The game's outcome was obvious. We had won the contest. My replacement had scored the go ahead goal in the waning minutes of the second half.

The doctor stood beside me, looking officious as ever. Despite the victory, my coach looked worried sick. "So," he asked me, "how's the knee?"

"It hurts like hell," I lied.

"But there doesn't seem to be any structural damage," the doctor said. "He should be okay to play in the title game next week."

"Thank goodness," the coach declared. "I thought it was something serious."

I decided to skip the victory party. The doctor drove me to my private dorm room. I invited her in for a nightcap. Neither of us got much sleep that night.
